Company: Potenta Management Group LLC.

Dear Sir or Mam

Liland Companies have been using Potentia Management Group for lighting and electical update for the last decade. They have helped us get national Grid incentives to significantly reduce our cost in lighting update for several of our facilities including A new Electrical Vehicle Charging station.

Liland's company phone number is 315-432-0745 if you have any questions.

Best Regards,

Robert Li
